## Warragul & District Specialist School Newsletter Term 2 Issue 16, Tuesday 17th June 2024

Welcome to Week 10 of Term 2

We're nearing school holidays. 8 school days, but who is counting? We have lots to share with you between now and then, including our Pyjama Day breakfast hosted by our SRC students on the last day of term. If you have not done so, please indicate to your students classroom teacher their breakfast preferences if in attendance so we can cater to their dietary needs. You can contact your students teacher through the Seesaw app.

Today has been an exciting day, with our Senior Drama students performing to their families and fellow peers. The students confidence has grown across the term as they've refined their acts, and the performance today was top notch. Congratulations to all our involved students who performed, alongside our students who built their skills as audience members. Thank you also to our families who took time out of their day to celebrate their students learning. The excitement on their faces was evident sharing this experience with you all.

Last Thursday our AFL in schools program wrapped up for involved students. It culminated in a certificate presentation in the engine room. We would like to extend our thanks to the AFL in schools staff for providing the time to understand our students needs, build their confidence, and their gross motor skills.

We've had lots of visitors to the school recently, including staff administering needles for student vaccinations and staff flu injections, the Smile Squad to check out the students oral health, and prospective students and families into the school for tours. Students have been fantastic in embracing these visitors across our school, accepting the change in their daily routine, and being brave when facing some challenging medical situations. I applaud all our students for their ability to roll with the new challenges of each day as they come, and continue to shine as they follow their schedules.

### Our Commitment to Child Safety

Warragul & District Specialist School is committed to safety and wellbeing of all children and young people. This will be the primary focus of our care and decision-making. Warragul & District Specialist School has zero tolerance for child abuse.

Warragul & District Specialist School is committed to providing a child safe environment where children and young people are safe and feel safe, and their voices are heard about decisions that affect their lives. Particular attention will be paid to the safety of children with a disability as well the cultural safety of Aboriginal children and children from culturally and/or linguistically diverse backgrounds.

Every person involved in Warragul & District Specialist School has a responsibility to understand the important and specific role he/she plays individually and collectively to ensure that the wellbeing and safety of all children and young people is at the forefront of all they do and every decision they make.

# Student Achievements

On the weekend Coby competed in a the Association Championship Finals netball tournament with the Drouin All Abilities Netball Team. The tournament was held in at the State netball Centre. Coby's mum Julie said he played so well she cried with joy, she was just so proud of him.

Coby and his team showed outstanding sportsmanship, team work and dedication and came away finishing 5th overall, an amazing effort!

# Juniors

Our Foundation students have almost finished 1 full Semester of school (only 12 1/2 to go!) They are experts at going out on Community Access and love playing together when our therapists bring fun learning activities to the classroom. Well done to all of our Foundation Student's and their Families for reaching this big milestone!

**Isla**

**Jolene & Hollie**

**Hollie**

**Jolene & Willow**

# MIDDLE SCHOOL

## ROOM 9

Room 9 took advantage of the clear weather today and went to Longwarry for Community Access! There is a great park there and they all got to test out their balance and climbing skills!

Haven loves going out on Community Access and can name ALL the towns in Baw Baw Shire!

Brayden

Great climbing skills Ella!

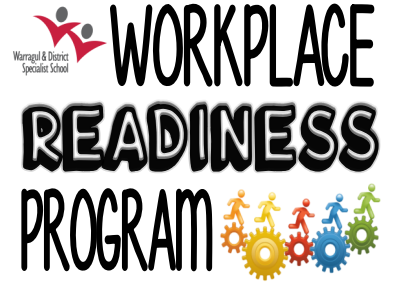

# SENIORS

Our Certificate 2 in Workplace Skills students have been working hard at their SWL (Structured Workplace Learning) placements each Monday.

Melvin and Coby work at the Mawarra Op Shop in Palmerston Street. While Ethan, Michael and Riley are at Vintage Vibes in June Court.

Make sure you pop in on a Monday and put their customer service skills to the test! Check out the following page for what the Workplace Readiness Program students get up to on Thursdays.....

# SENIORS

## WORKPLACE READINESS PROGRAM

Each week on a Thursday I accompany a number of senior students to CCG in Warragul where they are completing Certificate 2 in Workplace Skills. This entails a lot of written work along with work completed using laptops.

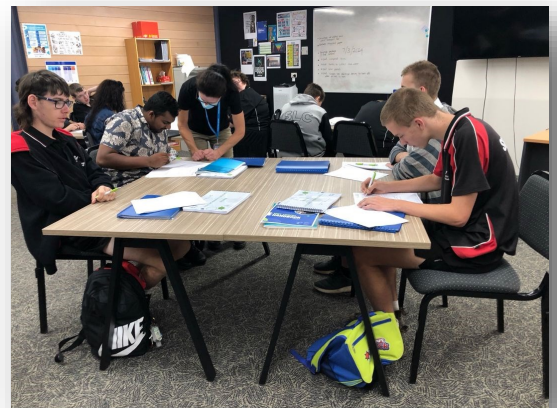

The quality of work our students produce is something they should be extremely proud of as I am.

The way our students conduct themselves not only in the classroom but also in the communal space we share with a number of others studying at the College, reflects those values we promote in our school.

We share the classroom with students from another school and have built the sense of community as we work together to complete tasks set.

Our Trainer Jayden has built a positive rapport with the students and instructs in a manner that makes the learning understandable and encourages confidence in achieving success in their course.

- Megan

## CANTEEN

Welcome to the canteen team each Thursday, Indianna and Meagan! They have both worked hard to learn the routines and skills and have slotted into the team beautifully. Meagan especially liked her job of taste testing the Dim Sims! 😊

Indianna delivering orders.

Maegan ensuring the dimmies were up to standard!
